

*Providing Career and Technical Education Opportunities for the Students of
Fountain, Parke, Vermillion, and Warren Counties*

Craig Newby - Director

765-721-3520

cnewby@wrcte.org

The Wabash River Career and Technical Education District (WRCTE) in cooperation with North Central Parke Community School Corporation is seeking a 2nd full time Automotive Services Technology Teacher. This class is housed at Parke Heritage High School in Rockville, IN. Junior and Senior High School Students from North Vermillion, Parke Heritage, Riverton Parke, and South Vermillion attend this class. This program is known for successfully preparing students to enter the workforce and/or college upon graduation. The successful candidate should meet the following criteria.

Have ability to obtain a Workplace Specialist Permit

Willing to complete the Indiana Department of Education Workplace Specialist Licensing program within 2 years of starting employment.

Willing to work closely with Ivy Tech Community College in providing dual credit instruction to the students.

The successful candidate will report to the WRCTE Director and the Parke Heritage High School Principal. Interested parties should email resume to:

Place NCP application instructions below.

Position open until filled.
